

## **Internationales A-Cappella-Festival „vokal.total“ Graz, August 2012**

Die hochkarätige Jury (Kim Nazariaan (USA, New York Voices), Anders Jalkeus (SWE, The Real Group), Andrea Figallo (I, Flying Pickets), Matthias Becker (GER, Gründer von vokal.total) und Jörg-Martin Willnauer (AUT, Kabarettist, Komponist, Pianist, Schauspieler) war begeistert:

*"Anders Jalkeus has had an overwhelming experience tonight when the Suisse a cappella comedy group UrStimmen performed at the VokalTotal competition in Graz, Austria. I was totally blown away. If they perform at a venue near you, you just have to go and see them. It is an experience of a lifetime!"*

*Andrea Figallo: "URSTIMMEN. So much fun, so professional, such nice people... You can't quite compare it to MUTTIS KINDER, so you must go see both of them live!"*
